NOTES TO ASSIST WITH COMPLETION OF THE APPLICATION

All foals must be in possession of a passport **within 6 months of the date of birth or by 31st December of the year of birth, whichever is the latest.**

The foal's full name should be shown as you wish it to be formally registered and to be recorded the passport i.e. complete with prefix etc.

The foal's sire and dam names should also be given in full, to ensure correct registration.

As required by DEFRA under EU legislation a covering certificate must accompany this application. The covering certificate should have been supplied to you by the stallion owner at the time of covering. If you have not been given this certificate, please contact the stallion owner for the certificate, prior to submitting this application for registration.

In respect of the Section I forms which are to be completed by the vet, the Society reserves the right to return incorrectly completed forms for replacement.

In line with national General Data Protection Regulations, and the Suffolk Horse Society's Privacy Policy, a privacy statement is provided at the bottom of the application form, along with a request for you to allow the SHS to publish details of this new foal registration in our annual Studbook. This Studbook is provided for SHS members, Suffolk breeders/owners and the general public, and records the foal's details along with contact name and details for the breeder and owner.
