## Addendum 18b

### Picture examples of a braided mane

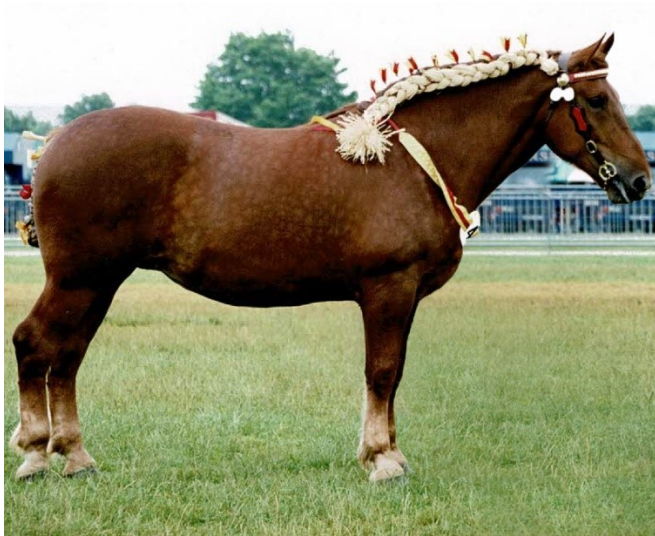

Nicely braided mane and tail but the mane is heavy making neck look smaller.

Well braided mane, but tail is low, with a large clump, drawing the eye down.

Poorly braided mane, doesn't do justice to the neck.

Thick, heavy plait with neck ribbon twisted.

Well turned out example of a nicely braided mane and tail

(If you would like a copy in colour, please get in touch with the Suffolk Horse Society offices)
