

## **Suffolk Punch Mare Takes the 2023 Search for A star Supreme Champion at Your Horse Live**

Exciting and very proud day for Mrs Andrea Hoskins and Stud Manager Brad Auker, when Holbeache Scarlet one of 5 broodmares owned by Andrea took the Search for a star Supreme Championship at Your Horse Live.

Holbeache Scarlet owned by Andrea was bought as a weaned foal from Mike and Alison Clarke from the Holbeache Stud.

Scarlet is a Magnificent looking 4 year old, a very sweet easy to do mare who Andrea says always has her ears on and thinks forward, she is due to foal this year to Newpole Maurice.

Brad Auker said that it meant such a lot to him to win with Scarlet for Andrea and he was so delighted with how the 2 days went. He has only been working with Andrea for just over a year and is in sole charge at the stud, having previously worked with Thoroughbreds he has always had a passion for heavy and working horses.
